

Join us for an Evening of Digital Dentistry and Hands on Scanning

Crystal Dental Design and iTero are inviting you to experience digital scanning first-hand.

- ***Don't have a scanner?*** Come see why most practices switched to digital.
- ***Have a scanner?*** Come and improve your scanning skills

During this event you will learn *and* practice how to scan for:

- crown/ bridge
- Implants
- night guards
- surgical guides
- even dentures

When: Wednesday May, 8th
Time: 6:30 PM
Where: Crystal Dental Design
14631 Lee Highway, Suite 316
Centreville, VA 21021

Dinner Provided!

Limited Seats Available... Register Today!
